

Psy, Yai, Yai

Parody of "Bye, Bye, Bye" by *NSYNC

New lyrics by Steven "Yoshi" Reich (yoshi1001@aol.com)

(Psyduck...)

Psy, Yai, Yai

(Psy, Yai, Yai, Yai...)

(Psy, Yai, Yai, Yai...)

Oh, Oh, Oh, Oh,

I've gotta win this fight, you're
Gonna have to leave my sight, I
Try with all my might
Hey baby move on,
I,
Started peacefully, but
You keep bugging me, so
Couldn't you just leave and go off alone?
I feel like I can't take no more
When you come by
I have to send you out that door
Baby, Psy, yai, yai...

(Psy, Yai, Yai, Yai...)

Don't have the time to fool with you
(Cause) I'm a gym leader with a job to do
Don't go hate me but it ain't no lie,
Baby, Psy, yai, yai...
(Psy, Yai, Yai, Yai...)
Can't stand the way you trip and fall,
Ev'ry time you come out of your Poké Ball.
Must be crazy,
But I don't know why,
Baby, Psy, yai, yai

(Oh, Oh)

Just have to tell the truth, now,
Hey you're gonna have to move, so
Let me do this battle,
Baby go on
I'm,
Not here to play games, and
Now I really feel ashamed, that
I could be seen with you
So be gone

I know that you can't take no more
But don't go cry
I gotta send you out that door
Baby, Psy, yai, yai...
(Psy, Yai, Yai, Yai...)

Don't know what I should do with you
Just a lonely wader in your inner tube
Please don't hate me but it ain't no lie,
Baby Psy, yai, yai...
(Psy, Yai, Yai, Yai...)
Don't really wanna kick you out,
I just wanna tell you that I care about... (Psy?)
Drive me crazy,
But I can't say bye,
Baby, Psy, yai, yai

I'm giving up this isn't fair
I can't argue when you hold on to your head and stare
(Psy, Yai, Yai, Yai...)
I'm movin' on
I'm divin' down
I don't wanna see you sit there and just mope around

How could I go be so cruel?
But what can I do?
Can't bear leavin' you behind
Psy, yai, yai...

I don't wanna raise my voice (raise my voice)
So I made my choice
And I'm standin' by (By my duckie...)
(Psy, Yai, Yai, Yai...)
Won't let them make a fool of you
(I won't let them make a fool)
Just ignore those trainers and my sisters too
(And my sisters too) (I won't let them make a fool)
Cuz' it ain't no lie
Baby Psy, yai, yai...
(Psy, Yai, Yai, Yai...)(Oh)
Don't really wanna hurt you see
(I don't really wanna hurt you see)
I just wanna tell you you're like family
(You're like family)
Call me crazy,
But it ain't no lie,
Psy, yai, yai
(Psy, Yai, Yai, Yai...)
